

WESTMINSTER FELLOWSHIP

2025

Preaching in the Digital Age

In today's rapidly evolving world, new technologies present both challenges and opportunities for gospel ministry. As ministers of the Word, we must wisely discern how to use these tools for faithful preaching, teaching, and discipleship. This session of the Westminster Fellowship will explore how to shepherd effectively in a digital landscape, with discussions on AI, new media, and the future of ministry. Join us for a time of encouragement, fellowship, and equipping for the work ahead.

August 8th, 2025
8:30am-2pm

Who: Pastors, deacons, missionaries, and those pursuing ministry

Where: Calvary Baptist Church,
3200 Ridge Road Westminster, MD 21157
