Dear Ministry Friend:

February 9, 2026

It is time to make plans to attend the annual Foundations Baptist Fellowship/Northwest Baptist Missions Wyoming regional Fellowship May 18-19 at First Baptist Church, Pinedale, WY, hosted by Pastor Ted York. There will be a special session for ladies on Tuesday morning led by Pam Sprecher and Christina Patrick of Friendship Baptist Church. An added dimension is church planting. One session will be dedicated to church planting and prospective church planters are invited to attend and interact with western church planters.
